

FREQUENTLY ASKED QUESTIONS

How do I register for the courses?

It's easy! All you need to do is RSVP to liz@tpigreenwich.com. When you arrive at the course you will be asked to fill in an attendance form.

How much does a course cost?

It's free! We work hard to get sponsorship from dental companies to help cover the cost of the course or to bring in a speaker. Dr. Traynor feels that it is important to offer these courses at a free or minimal cost to the hygienists in order to provide continuity of care for the patients you refer to Dr. Traynor.

How many CE credits is a course and how do I get my credits?

Each course is 2CE credits. These credits are valid in CT, NY and NJ. At the end of each course, when you hand in your attendance, you will be given the course verification form. You are responsible for keeping that form in a safe place!

Can I bring a friend/colleague?

Yes! In fact we encourage you to bring your Hygiene colleagues.

What if I can't remember the dates of the meetings?

We have now posted the HYGIENE CALENDAR online! Please visit www.tpigreenwich.com and go to "study clubs." There you will find the HYGIENE STUDY CLUB and that is where the calendar for the year and/or any handouts that you might have misplaced is posted.

ANNOUNCING OUR NEW AND IMPROVED WEBSITE

WWW.TPIGREENWICH.COM

Here You Will Find:
